 AND DONGO KUNDU RESERVOIR

**REQUESTS FOR CLARIFICATIONS AND RESPONSE MATRIX**

Sr.	Section	Criteria	Page number	AIL Clarifications	CWWDA Responses
1	Section III Evaluation & Qualification Criteria	4.2 (a) Specific Construction & Contract Management Experience: A minimum number of similar 3 contracts specified below that have been satisfactorily and substantially completed as a prime contractor, joint venture member management contractor or subcontractor between 1st January 2015 and application submission deadline: Two (2) Contracts, each of minimum value EUR 35,000,000 (Euro Thirty-Five Million)	20	We understand that this is contractor capacity requirement in terms of handling of contract of Euro 35 million or above.  We presume that Hydro Power Project executed in specified period Project of Euro 35 million or more will be acceptable. Please Confirm.	By nature a hydropower project is very different from a water supply project and therefore will NOT be considered as a similar project for prequalification.
2	Section III Evaluation & Qualification Criteria	4.2 (b) Specific Experience ii) Experience in Major Concrete Works for Water Retaining Structures, Construction of Reinforced Concrete Water Retaining Structures of capacity 15,000m <sup>3</sup> and above (e.g. Water Storage Tanks) involving production and placing of reinforced concrete at an average rate of at least 300m <sup>3</sup> per month.	21	We presume that water retaining structure of DAM and concreting done for DAM construction will be acceptable. Please confirm.	Concrete works for a dam differ in many respects from concrete works for a water storage tank and will therefore NOT be accepted for prequalification.
3	Section III Evaluation & Qualification Criteria	4.2 (b) Specific Experience For the above and any other contracts completed and under implementation as prime contractor, joint venture member, management contractor or subcontractor on or after the first day of the calendar year during the period stipulated in 4.2 (a) above, a minimum construction experience in the following key activities successfully completed in Countries in the Tropical Zone:	21	India some portion comes under Tropic of Cancer so we presume that project executed in India will be acceptable. Please confirm.	Projects in India located to the south of the Tropic of Cancer are acceptable provided that they comply with the other criteria.
